

## Franchisee, Sub Broker, Authorized Person Revenue Policy

- All Business partners have to generate company part revenue at least two times of their security deposit.
- Business partners who are interested and willing to work in delivery will be made to work in the delivery commodity but commodity Delivery will not be done on temporary basis. That is to say, this facility will be provided only to those who commit more and bigger revenue.
- Business partner working in **commodity delivery** will have to generate company revenue of at least 5 lakhs.
- In case of sudden death of Business partner or he/she is not in a position carry on his business due to medical emergency, then the company can release the security deposit on the basis of medical condition.
- If the Business partner uses up the company's valuable time and wallet and storage costing and does not work as per the commitment or refuses to do business, the company may hold the security of such business partner until such time as it is not done in accordance with the policy. Because it will be considered a loss of the company and the company can also recover the remaining revenue from the security amount for the precious time of the company.
