Position Square Off Policy

The company operates as per the rules of exchange and regulatory. According to their rule, the Position Square Off policy is also being circulated by the company for your information. By SEBI, we have to follow the following rules which are as follow :-

- All intraday positions will be square off every day at 11:15 pm.
- The position of any client can go into the carry only when there will be a minimum margin credit of the exchange in his account.
- If the position is not squared off by the dealer due to any reason, then the employee will have to pay that amount from his/her salary in case of debit or loss in the account of the client.
- By the company on violation of policy necessary actions will be taken on the employee of the company.
